PIPER LECTURE TO ADDRESS DISPUTE RESOLUTION IN PUBLIC SECTOR

The sixth annual **KENNETH M. PIPER LECTURE IN LABOR LAW** will be held at 11 a.m., on Tuesday, April 10, in rooms 102-103. The topic of this year's lecture is **"Dispute Resolution in the Public Sector."** The speakers for this year's lecture are Robert Howlett, partner in the Grand Rapids, Michigan, law firm of Varnum, Riddering, Schmidt & Howlett, and Charles Craver, Professor of Law at the University of Illinois College of Law.

Mr. Howlett is former chairman of the Michigan Employment Relations Commission and has chaired the Federal Service Impasse Panel. He is one of the most respected public sector arbitrators in the country, and will give a national perspective on the use of public interest arbitration and its effectiveness in strikes.

Professor Craver has taught numerous courses and seminars on labor law and public sector labor relations. He is also co-author of the casebook, **Labor Relations Law in the Public Sector**. He will address the new Illinois law and issues arising out of its enforcement.

All students are encouraged to attend the **Piper Lecture**, which is Chicago's only annual academic symposium devoted exclusively to labor law.

JUDICIAL EXTERN PROGRAM - SUMMER & FALL 1984 SEMESTERS

The Judicial Extern Program, a three credit course, is open to second and third year law school students. Judicial Externs do legal research and writing for federal court judges and receive course credit. This course requires 15 hours a week for 8 weeks during the summer term for two credits and 12 - 15 hours per week during the fall term for three credits. Judges in the federal courts select their externs and all applicants are in competition.

Credit will be granted for externships with federal court judges and magistrates only. The two hour externship course at the state courts has been discontinued. Visiting students at Chicago-Kent must see Dean David Rudstein before applying for this course.

JUDICIAL EXTERN PROGRAM (cont')

Students are limited to a maximum of two semesters and six credit hours of a judicial externship, general externship, or a combination of the two. Students will not be allowed to register for the judicial extern course until they have a confirmed extern placement. Because these placement decisions are not usually made until May for the summer term and June or July for the fall semester, students will not be able to pre-register for this course. Those interested in applying should obtain a copy of the course description and application form in the Placement Office, room 321. Applications to the judges must be submitted to Mary Kralovec in the Placement Office by 5 p.m., Wednesday, March 28, 1984.
